**J 2 ea**  
Wheel with lock

**K 1 ea**  
Allen wrench

**L 1 ea**  
Wrench

**Assembly Time:**  
Less than 30 minutes.

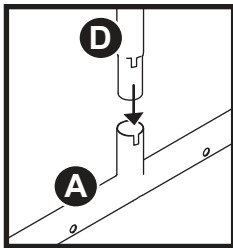

This product's intended use is for hanging garments.

**Tools Needed:** No additional tools required. Allen wrench (K) and wrench (L) provided.

**STEP 1.** Assemble lower horizontal bars (B) to base (A) with four Allen screws (G). Tighten with provided Allen wrench (K).

**STEP 2.** Insert lower vertical tubes (D) into base (A). Insert Allen screw (G) into bottom of base and through end of lower vertical tube (D). Tighten with Allen wrench (K).

**NOTE:** Align the notch in (A) with dimple in (D) to assure correct lower vertical tube placement. See diagram below.

**STEP 3.** Insert upper vertical tubes (E) into lower vertical tubes (D). Position middle horizontal bar (C) with spacers (H) at each end. Align all holes and insert Allen screws (G). Tighten with Allen wrench (K).

**STEP 4.** Assemble top hanging bar assembly (F) onto upper vertical tube (E) and lock into place with locking tabs on vertical tube.

**STEP 5.** Insert wheels (I) and wheels with locks (J) into base and tighten with wrench (L). Assembly is now complete.
