

FREE

- You provide measurements.
- We consult with you to determine your needs and create an on-the-spot estimate giving you a range of prices.
- Once you decide to move forward, contact us to schedule an appointment to measure your space.

\$50

- We take professional measurements of your space.
- We consult with you to determine your goals, needs and style preferences, then we create a personalized custom closet design and organization plan.
- We review your design with you either in the store or over the phone to ensure everything is perfect.
- Once you approve your design, we schedule installation.
- You can then choose to work with a Contained HomeSM Organizer to style and organize your space at \$75 per hour.

\$50 measuring fee – credited back when you spend \$1,000 or more on your space.*

\$100 – \$150

- One of our Contained Home Organizers consults with you in your home to determine your goals, needs and style preferences.
- We take professional measurements of your space.
- We create a personalized custom closet design and organization plan.
- You review your design with your Contained Home Organizer to ensure everything is perfect.
- Once you approve your design, we schedule installation.
- Once your space is installed, your Contained Home Organizer can style and organize your space at \$75 per hour.

\$50 measuring fee – credited back when you spend \$1,000 or more on your space.*

\$100 consultation fee – credited back to you when you purchase five hours or more of organizing services at \$75 per hour.
