## elfa freestanding®

The Container Store's exclusive, revolutionary addition to our best-selling organization system. There's nothing to drill into the wall and there are endless possibilities. elfa freestanding can be used with elfa Ventilated, Solid or décor Shelves, Closet Rods and Hanging Drawers to organize any room in your home. Our experts can help you identify exactly which elfa freestanding components you need to complete your customized solution.

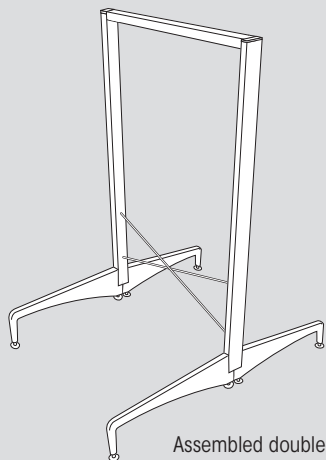

Levelers on the bottom accommodate uneven floors as well as baseboards of varying heights. Please note that any solution used away from the wall requires feet on both sides of the solution.

To assemble an elfa freestanding solution, one stabilization kit is required for each 2' or 3' section. The stabilization kit includes a stabilization bar, two crossbraces, two end caps and one center cap.

The adjustable foot height extender allows you to increase the height of the foot in order to place the solution over baseboards from 2" to 4" tall.

## Installation Service

Let Us Do the Work for You!

You know you really want to organize your closet with elfa, but you don't know when you'll have time to install it. Relax. Our professional elfa Installation Service will come to your home and install your elfa — and you'll be enjoying your organized space in no time!

Our Professional elfa Installation Service is 25% of the regular price of your elfa purchase (or a minimum of \$180.00) and includes the following:

- Removal of up to two shelves and two closet rods per wall, plus related touch-ups with flat white paint.
- Installation of all purchased elfa products.
- Courteous installers who will clean up thoroughly when they are finished.
- Delivery of your elfa is an option with installation for an additional fee.

For more information and to schedule your installation, please contact elfa Installation Service at 888-202-7622.

## elfa Desks

Clear the clutter in your home office with organized desk solutions from elfa. Like elfa Shelving and Drawers, our elfa Desks allow you to choose from a variety of components to create a desk that's custom-made to your needs. You can rearrange and add to your office at any time. No formaldehyde was used in manufacturing our elfa Desk Tops.
